 1 *Sizes*

Any cake larger than 8" is by order only, and we do not offer a 6" size for any of our cakes

Round Sizes

Round

8-10 Servings	8"
12-15 Servings.....	9"
16-18 Servings.....	10"
30-35 Servings.....	12"
40-50 Servings.....	14"
50-60 Servings.....	16"

*Please kindly note that tiered cake sizing is different from the guidelines posted here. This sizing is only for single tier cakes.

Sheet Sizes

Sheet cakes are generally easier to cut and popular for big events. We recommend sheet cakes over a large sized round cake for this reason.

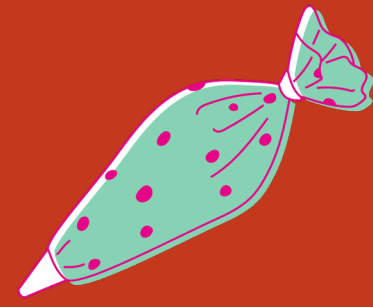

1/4 Sheet (8" x 12"): 15-25 Servings
1/2 Sheet (12" x 18"): 40-50 Servings
Full Sheet (16" x 24"): 70-100 Servings

Serving sizes are estimates and may vary based on how the cake is sliced.

2

Writing

Custom Messages

Cakes with an * next to their name indicates that they cannot have a message written directly on them - they do not have a flat top surface to write on due to the decorations on it. Instead, a message can be written for an additional charge on a chocolate heart or a white chocolate banner.

Our chocolate pieces come in only one size. If ordering a larger cake (such as a full sheet), consider customizing the cake design to have a flat top surface to write your custom message on, or purchase several chocolate pieces (and have one/two word(s) written on each piece).
